## MR. SIVAKRISHNAMOORTHY IAS

Under the guidance of able mentors at Gurukulam IAS (SAI IAS). I have been prepared to face any exigencies. Lately, there is no paucity of materials to prepare for this exam. But what puts an aspirant on the racetrack is the attitude towards the examination. I will be forever grateful to Dr. Saravanan Subramanian and the panelists of the Interview Guidance Programme, who took personal interest to hone us for CSE.

## MR. BIRATHIVIRAJ IAS

Thank you sir...!!!

Only because of your guidance, I am able to understand how to prepare for this year mains and interview on my own. And I did most of the preparation from home for this year like preceding years. Irrespective of what marks I am getting in to the interview our Institute programme helped me immensely sir. Thank you very much sir.

## MR. SARAVANAN IPS

Thanks for the right mentorship and guidance by Gurukulam IAS (SAI IAS). It is a humour amongst the aspirants to call UPSC, the Unpredictable Public Service Commission and rightly so. The scope of CSE cannot be limited to syllabus, making it one of the toughest exams. Nonetheless, right mentoring can help you ease the process. One aspect about this exam is that an aspirant need to be mentally ready for bouncers, beamers and yorkers of UPSC.

## MS. SINDHUKAVI IRS

I had taken interview guidance from Dr.Saravanan Subramanian (Gurukulam IAS). The interview guidance was highly helpful to me and helped in achieving a good score in the interview. Starting from delivery to the pace and the choice of words, the guidance was extremely useful and helped me in facing the UPSC board without any fear. Individual attention to every single candidate is one thing which is commendable.

Every student in the programme is given personalised attention by the mentors especially Saravanan Sir. Happy to have chosen their guidance programme. Give your best. Good luck Future Civil Servants!!!

## **MR. NAVEEN KUMAR IRS**

Thank you saravanan sir...!  
Mock interview session helps to approach the UPSC interview panel fearlessly and comfortably. The guidance on notifying keywords to address the questions during interview was really, really, good.

## **MR. VENKATESH IRS**

The role of our academy and language is important in this journey and they are one of the main pillars to reach this present position in Indian Revenue Service through their Interview Guidance Programme. They made me to understand the nature of personality test and helped me to remain calm and positive during the test, and many mock interviews with previous board members helped me to perform well before the board. Thanks to the academy.

## **MR. GOVINDRAJ IRS**

I am basically from a village background; completed schooling from Tamil medium school and then completed engineering. I came with a dream to clear the UPSC exam where the IAS Interview program gave me confidence resulting in good marks in clearing the Interview session. Thanks to Saravanan sir.
